

x				<b>COVER UP!</b>
1				<b>First:</b> fill up this times table chart Choose facts you are working on.
2				
3				<b>Next:</b> cover up the solutions with coins. Put the highest value coins on the toughest facts.
4				
5				<b>Finally:</b> Play with a partner. Starting at row one, take turns trying to remember your facts. Lift up the coin to see if you were right. Keep it if you were! If not, put it down and wait to try again. Choose a different spot on the same row when its your turn again.
6				
7				
8				Keep going until all the coins are taken. Add up your total to see who won.
