

Name: _____

WORKING IT OUT! 

YOU MIGHT:

- List important information
- Consider possible tools and approaches:
 - Guess and check
 - Look for patterns
 - Test equations
 - Draw

BE SURE TO:

Discuss whether ideas, numbers, and solutions make sense

Don't erase! We want to see your thinking!

Name: _____

Make a good copy of your work! Show **WHAT** you found out...

Name: _____

REFLECT

Tell the story of how you approached this problem!

You might write:

- The first thing I did was...
- Next I...
- I got stuck when...
- I got unstuck when...
- I did this because...

WHAT WOULD YOU LIKE ME TO NOTICE THE MOST WHEN I LOOK AT YOUR WORK?
